I CERTIFY ON HONOR That I have carefully examined the above named Recruit, agreeably to the General Regu-
lations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way
disqualify him from performing the duties of a soldier.

Wm H. Harrison
Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, *William R. Calivatt*
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is
of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-
served the Regulations which govern the recruiting service. This soldier has *Blue eyes, Dark hair, Dark*
complexion, is *5* feet *10* inches high.

In regard to the charges preferred against you by Lt James Cornell I have to say, that from the best of my recollection, the written having been destroyed, they were about as follows:

First charge. Disobedience of orders.

Specification That you moved in one direction with your command while you was directed to move in another by Lt James Cornell, thereby enabling some supposed bushwacker to escape. Another charge was in substance that you was drunk and unfit for duty when called upon.

Another charge was that you made use of a handkerchief stolen from a store. — Another that you relieved a Sentry and placed a substitute in his place when officer of the Guard at Camp in New Madrid: All the rest was at Missouri City last summer —

My reasons for destroying the charges, preferred against St. Henry Carlisle, was, because Lt James Cornell who preferred them, withdrew them, and I thought that was the end of the matter

New Madrid Mo Nov 30th 1863.
Maj Gen Schufeldt

Sir enclosed please find
proceedings in Court of inquiry in regard to
certain charges preferred against me by
1st Lieut James Cornell Co "E" 25th Infantry Mo Vol.
I would respectfully ask your opinion in regard
to the same as presented.

This man Cornell 1st Lieut of Co "E" 25th Mo Infantry
had charges pending against him of the most
serious nature. That of allowing the men under
his command to plunder and rob stores. And
commit depredations on the personal property
of individual citizens while he Cornell was in
command of the Post of Missouri City - Mo.

Another of assaulting and beating one 1st Lt.
Hermann Gilke Adj't 25th Infantry Mo Vol.
in his own tent. "Threatening to kill the
damned Dutch son of a bitch" this
is the language used by the same Lieut.
Cornell at that occasion.

The charges appended with the proceedings
of Court of inquiry was squashed by Maj
W. L. Nichols then President of a G. O. Council
in session at New Madrid Mo.

stating that on the condition that if I
would not push the charges over his
head (that is Maj Nichols) that all charges
then pending should be withdrawn &
all officers under arrest should be released
Lieut Geo. G. Beyer had preferred the charges against
Lieut James Cornell. Lieut Cornell there preferred
the charges against myself and Lieut Beyer
Lieut Beyer would not consent to withdraw

them unless I consent. Which I did on the
condition that I should have a court of inquiry
in regard to the charges against me which
Major F. C. Nichols 25th Mo. Inf. as President of
the court and commander of the Post of
New Madrid Mo. promised me. Afterwards
he turned all the charges upon I could
get the court assembled.

Since that time Lieut. Cornell has been
charged with absence without leave, of
quitting his army, and of beating and nearly
killing a Lieut. of the so called Confederate
States while said Lieut. was on his parole
in camp of afterwards assaulting with
club an officer of the Regiment as his
quarters. Of cursing & abusing the Comd'g
Officer of the Regt. (Mr.) Edchester Harding.
Of threatening the life of the different officers of
the Regt. And of threatening to become a
Guerilla if he was dismissed the service
of the U.S. And taking the camp of the 25th Mo. Inf.
These and many other charges have been
made ^{against} this Man Cornell.

Notwithstanding all these charges against
him I understand that he has been sent to
you with a recommendation that he be allowed
to resign. I would respectfully ask you
General that you would investigate the
character of this man before you allow
him to resign hereby. thereby allowing some
other Regiment to be injured in the same
manner as the 25th Mo. Inf.

Most respectfully, your obedient servant
Lieut. Henry C. Gallie

O the Court of inquires now in session
in Camp near New Madrid Mo. Nov 6th 1863
Lieut Henry G. Corbitt
feels aggrieved in this:

That one Lieut James Cornett
on or about the 31st day of Oct. 1863 did
maliciously and wilfully file certain
charges against Complainant well
knowing them to be false, for the
purpose of injuring the character
and standing of Complainant in his
Regiment, and also in the community
where he is known, and did afterwards
withdraw the same, well knowing
that he could not sustain the same

November 6th 1863

The Court met pursuant to the above order, present all the members. The Court then proceeded to investigate into certain charges preferred by 1st Lieut. James Cornell 25th Regt. M^c Vols; against 2nd Lieut. H. C. Carlisle of the same Regiment.

Original In the absence of the original written charges; they having been destroyed, the Court entered into the investigation of a statement of grievances, hereto attached marked "A", supported by the certificate of Major F^r C. Nichols 25th Regt. M^c Vols; late, Commander of the Post of New Madrid M^c in reference to the charges preferred by the said Lieut. James Cornell, as claimed in the statement, marked, "A", which certificate is hereto attached and marked "B".

Then the Court proceeded by introducing 1st Lieut. G. G. Bayne 25th Regt. M^c Vols; who being duly sworn, declares "I am 27 years of age, my rank is 1st Lieut. of 6th Co 25th Regt. M^c Vols;

I told him to take it to Capt Schmitz and show it to him. He took it to

They were gone about 3 days when the report came to me that Lieut Cornell's command behaved very badly at Missouri City. The report was that his men robbed a store belonging to a certain Nolan to the amount of about 184 dollars consisting in shirts pocket handkerchiefs

Cante. Boots. Shirts & which articles were stolen; besides that the Lieutenant in command was drunk with his whole command and insulted the citizens there; wherefore I removed them back to Liberty Arsenal. When they returned Lieut Carlile, to whom I talked about this robbing affair, told me that he did not know anything about it, as he was away with his command to an island about 4 or 5 miles below Mifflin City, to which place Lieut Cornell ordered them, as soon as he arrived from Richfield. Lieut Carlile, came up to my tent and showed me a new barksilk pocket handkerchief, which he said, he found in the camp of Lieut Cornell's command.

He asked me what to do with it and I answered him not to have anything to do with it, but destroy it, as I would investigate the matter and send the bill to Col. Harding Comdg. Regt. - He went off with it. - After a day or two I asked Lieut Carlile what he had done with the handkerchief, and he answered me, that he destroyed it. That is all I know about it so far.

This man can be very
wicked of an account with
intent to rob and kill
a man in St. Joseph.

My parents know the
facts. He ought to be
sent to St. J. for trial, by
the civil authorities or
by military commission.
He knows his thing in
an attempt to escape the
several who arrested him.

I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General
Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would
in any way disqualify him from performing the duties of a soldier.

Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, John Caspar
personally in his enlistment, and that he was entirely sober when enlisted, that to the best of my judgment and
belief he is of lawful age; and that in my opinion he is duly qualified to perform the duties of an able bodied soldier,
I have strictly observed the Regulations which govern the recruiting service. This soldier has Blue eyes,
light hair, light complexion, is 5 feet 8 inches high.

NOTATION.

Book mark: 4866 U. 1888.

Adjutant General's Office,

WAR DEPARTMENT,

Washington, June 5, 1888.

Has tried by G. C. M. on the charge of desertion, specification: "Will on or about Feb'y 28, /63, at Iron Mountain, Iron County, Mo., desert the same by leaving his company and Regiment and did remain absent without leave until April 15, /63 when he reported himself to his company then stationed at Liberty Arsenal, Clay Co., Mo." - He was found, of the specification, guilty, but that he re-ported to Lieut. Van Horn previous to the expiration of the time allowed by the President, (and)

Warner

Proclamation to Seculus and men
absent without leave; and of
the charge, guilty; and was
sentenced to be restored to duty,
with forfeiture of all pay and
allowances for the time of his
absence to wit - from Feb'y
28, 1863 to April 15, 1863.

Proceedings approved by
Maj. Genl Schofield, and pro-
mulgated in G.O. # 122, dated
Hdqrs. Dept. of the Mo., St.
Louis, Mo., Oct 21, 1863.

As this soldier was convicted
of Desertion by a G.C.M., the
proceedings, finding & sentence
of which were approved and
promulgated by proper authority,
the charge of Desertion no longer
stands against him.

The record of the fact that he
was absent in Desertion from
on or about Feb'y 28, 1863
to on or about March 30, /63
cannot, however, be expunged.

I bought a horse named of one
Mr. Leeland. that was taken by the U. S. S.
Cullies last August and brought to St. Louis
and turned over to Q. M. T. Lehen who sold
him some time since as Contraband but justly
said horse was not at that time, is not now, and
never was liable to conviction. I bought him
of a member of the 25th Regt. Mo. Vol. I later
found a member of ^{Company} Co. 25th Regt. Mo. Vol. said
horse was never made in Rebel service, he never
was made until after I bought him, I broke him
to ride, I have owned him ^{ever} since he was broke
and he has been in my service since that time
until he was taken by said U. S. Secret Service
from my farm in Holt Co. Mo

Report, Dear Mr. Allen,
I have to report to you that I have

W. H. Allen

Columbus, Ky,

January 16th & 1864.

Sir:

I would respectfully state that, at the suggestion of Brig. Gen'l A. J. Smith, commanding 6th. Division, 16th. Army Corps, I this day personally examined Sicut. Timothy Harby, Co. D, 25th. Reg't 8th. Infantry, and that said officer labors under Phthisis Pulmonalis, the result of a gun-shot wound received in battle, through the left shoulder and posterior part of chest, entirely disabling him for service or duty of any kind. Being satisfied that Sicut. Harby can live but a short time under the most favorable circumstances, and Gen'l Smith being anxious that he should be permitted to die at home, I, through permission granted me by Maj Gen'l C. F. Grant, in such cases, authorized the said Sicut. to repair to his home at Peoria, Ill., and to report to Gen'l Grant at Nashville, Tenn., in person, within twenty days, if able - otherwise by letter.

Respectfully

Yours obed't serv't,

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. p.*, &c., &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by command of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate." Par. 12th Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached in a division, to his corps department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the high authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper: see that the soldier is furnished with the proper hand statement in duplicate, and forward one of these certificates to the Adjutant General, United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Sir,

I am the only officer of the 13th Mo. Volunteers, Col. Peabody, who has not been taken prisoner and on parole. I feel anxious to be doing something for my Government and Country, and would most respectfully solicit an order, if it would please the Assistant Adjutant General to give me one, to recruit for Col. Peabody's Regiment or rather the regiment that he may command when released from parole; for I understand although not officially that the number will be changed from the 13th to some other

With very great respect

I have the honor to be

Your Obedt. Servt.

Captain George R Donnelly of the 25th
Missouri Volunteers having applied for a
Certificate on which to ground an application
for Discharge: I do hereby Certify that I have
carefully examined this Officer and find that
he is suffering from the eruption of an
old wound, which he received in the battle
of Contreras, Mexico - the ball having entered
the body one inch above, and a little to the
right of the right nipple, and making its exit
under the shoulder blade - Captain Donnelly
has suffered with this old wound since about
the 10th of May, 1862 and that in consequence
thereof he is in my opinion unfit for duty.
I further declare my belief that he will not
be able to resume his duties for a long
time if ever.

It is my opinion that Capt Donnelly is at present en-
tirely unfit for military service & it will probably be
some months before he can expect his wound to heal.

Nature of casualty, Wounded Missing
Date of casualty, 6 & 7, Apr. 1862.

Report of Killed, Wounded, and Missing of the 25. Mo Regiment,
Brigade, 6 Division, Corps, dated Army of
West Tenn. dated near Pittsburg Landing

Sgt. R. J. Van Horn, St. Cal. Co. 25. Mo. Vol.
Dec. 11. B. No. 12.

S. Jones.

Clerk.

23 Nov. 80.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *4, 5, &c.*, &c.—to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1240 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.
